

League of Yes
PO Box 754162
Forest Hills, NY 11375

Dear Friend,

These are exciting times for League of Yes! Last year we opened a brand new handicap multi-sports accessible field in Nassau County's Eisenhower Park. This new field is growing in both players and volunteers and we are counting on your support to help the continued success of this league. Our board has many goals for future growth including inter-county championship games, building more fields, and the possibility of expanding to include more adaptive sports.

This year, we are hosting our second annual Santacon 5K Run, Walk & Roll fundraiser. Our first Santacon event was a tremendous success and we anticipate it will be our largest annual fundraiser! We want you to join this exciting event by becoming a sponsor for 2017 Santacon 5K Run, Walk & Roll to be held at our field in Eisenhower Park on Sunday December 3, 2017. Being a sponsor provides many benefits:, your company gains wide exposure to the more than 500 attendees at our event, your company will be showcased to our thousands of followers on our social media platforms, it provides a way for your corporation to give back to our local community by impacting the quality of life of children with disabilities, and most importantly, it allows our league to continue to thrive and grow providing a growing population of kids a chance to enjoy playing our national pastime.

The League of Yes' mission is to establish and sustain baseball programs for people with disabilities. Our objective is to provide an opportunity for those individuals to experience the joy and benefits that come from playing our national pastime. Our aim is to help the league's players develop social skills and increase self esteem, while promoting community support and sponsorship for the league. We believe everyone deserves the chance to play baseball!

To make your donation today, please make check payable to League of Yes and mail to:
PO Box 754162
Forest Hills, NY 11375
