

MISSION STATEMENT

The League of YES's mission is to establish and sustain baseball programs for people (of all ages) with disabilities. Our objective is to provide an opportunity for those individuals to experience the joy and benefits that come from playing our national pastime.

Our goals are to help the League's players develop social skills and increase self esteem, while promoting community support and sponsorship for the League.

We believe everyone deserves the chance to play baseball.

HONORING

In Memory of Jason Torres

Jason was one of our first players of the League of YES when we were the Miracle League of Long Island. Sadly, Jason passed this year, but his spirit live on with us! We celebrate Jason and his family for their love of baseball and for their dedication. Jason will be forever remembered as our MVP!

Honoree

Nassau County Parks & Recreation

Nassau County Park & Recreation has been instrumental in adding a League of YES field in Nassau County to service our disabled community. They too believe that every child deserves the right to play baseball.

Nick Tedesco Award

Liam Fowler

For his dedication to the League of YES for serving as a volunteer and a BUDDY to his brother Patrick. This is a selfless act, and we are proud to honor Liam!

Honoring the Kozak Family

Honoring the Kozak family for going over and about to help the League of YES grow as an organization. The Kozak's were instrumental in starting the LOY basketball program. This program will bring even more smiles to the players in our league.
